## FUNDAȚIA PRO PRIETENIA ARAD

## ROMANIA STILL NEEDS HELP

Romania currently has some of the highest levels of poverty in Europe and its needs and opportunities are a great challenge to her people. Many of these opportunities are best met by indigenous charities such as **Pro Prietenia** which has received the support of the British charity 'The Friendship Foundation' for ten years.

## PRO PRIETENIA HAS THE VISION

► **Pro Prietenia** builds on its reputation of the past decade as it continues to work for the good of Romanian society. Its vision is to be able to offer help, either directly or by referral to others, to all sufferers of abuse, victims of crime, offenders

seeking correction, young people with fewer opportunities, those who are excluded from, or marginalized by society through poverty, lack of education, illness or physical/mental disability and who see no opportunity, or have little opportunity, to help themselves.

▶ **Pro Prietenia** dreams of our being able to help needy people realise their full potential and to make their own positive contribution to Romanian society.

▶ **Pro Prietenia** looks to becoming one of the most prestigious non-government organisations in Romania by the end of 2015, based upon the loyalty and commitment of its supporters, together with the effectiveness, values, compassion, expertise, professionalism and dedication of its team and the team's belief in the people they seek to serve.

▶ **Pro Prietenia** believes that it will become a beacon of excellence amongst non-government organisations in Romania and, by offering such things as consultancy, technical assistance and internships, be well placed to help other charitable and commercial agencies to develop their own organisations.

## TOGETHER WE CAN DELIVER

**The Friendship Foundation** has supported Pro Prietenia throughout its ten-year history. All the trustees have visited Romania and are informed about conditions there. By supporting The Friendship Foundation you are helping PRO PRIETENIA deliver its vision. Every penny counts! Nothing is too small.
