ARE YOU SUSPICIOUS ABOUT SOME HAND CAR WASHES?

Some victims of human trafficking are being exploited in **hand car washes**, which in recent years have sprung up across the country in their thousands. Many of those hand car washes are legitimate businesses, but some of them are not. Police raids in hand car washes in towns and cities up and down the country have unearthed victims living in horrendous conditions.

THE SAFE CAR WASH APP

The app has been developed to allow the general public to engage with the problem, it is a new tool that will enable the largest community intelligence gathering exercise ever attempted in the United Kingdom.

INTRODUCING THE SAFE CAR WASH APP

Download the free app onto your smartphone and then when you are using a hand car wash, simply open the app and complete a short survey about the working conditions of the car wash.
